Merchants of the Sigil: A Prayer Against the Demonic Market

**In alleys where the sigils crawl,
Where whispers shape the hearts of men,
The dollar mark hangs like a pall,
And merchants trade in mortal sin.
We name the false, expose the lie,
The memetic chains that bind the mind;
By Jesus' blood we stand this night,
No secret seal shall hold mankind.**

**In the name of Jesus, break!
Break the sigils, break the chain!
In the name of Jesus, cast!
Cast the merchants from the reign!
In the name of Jesus, bind!**

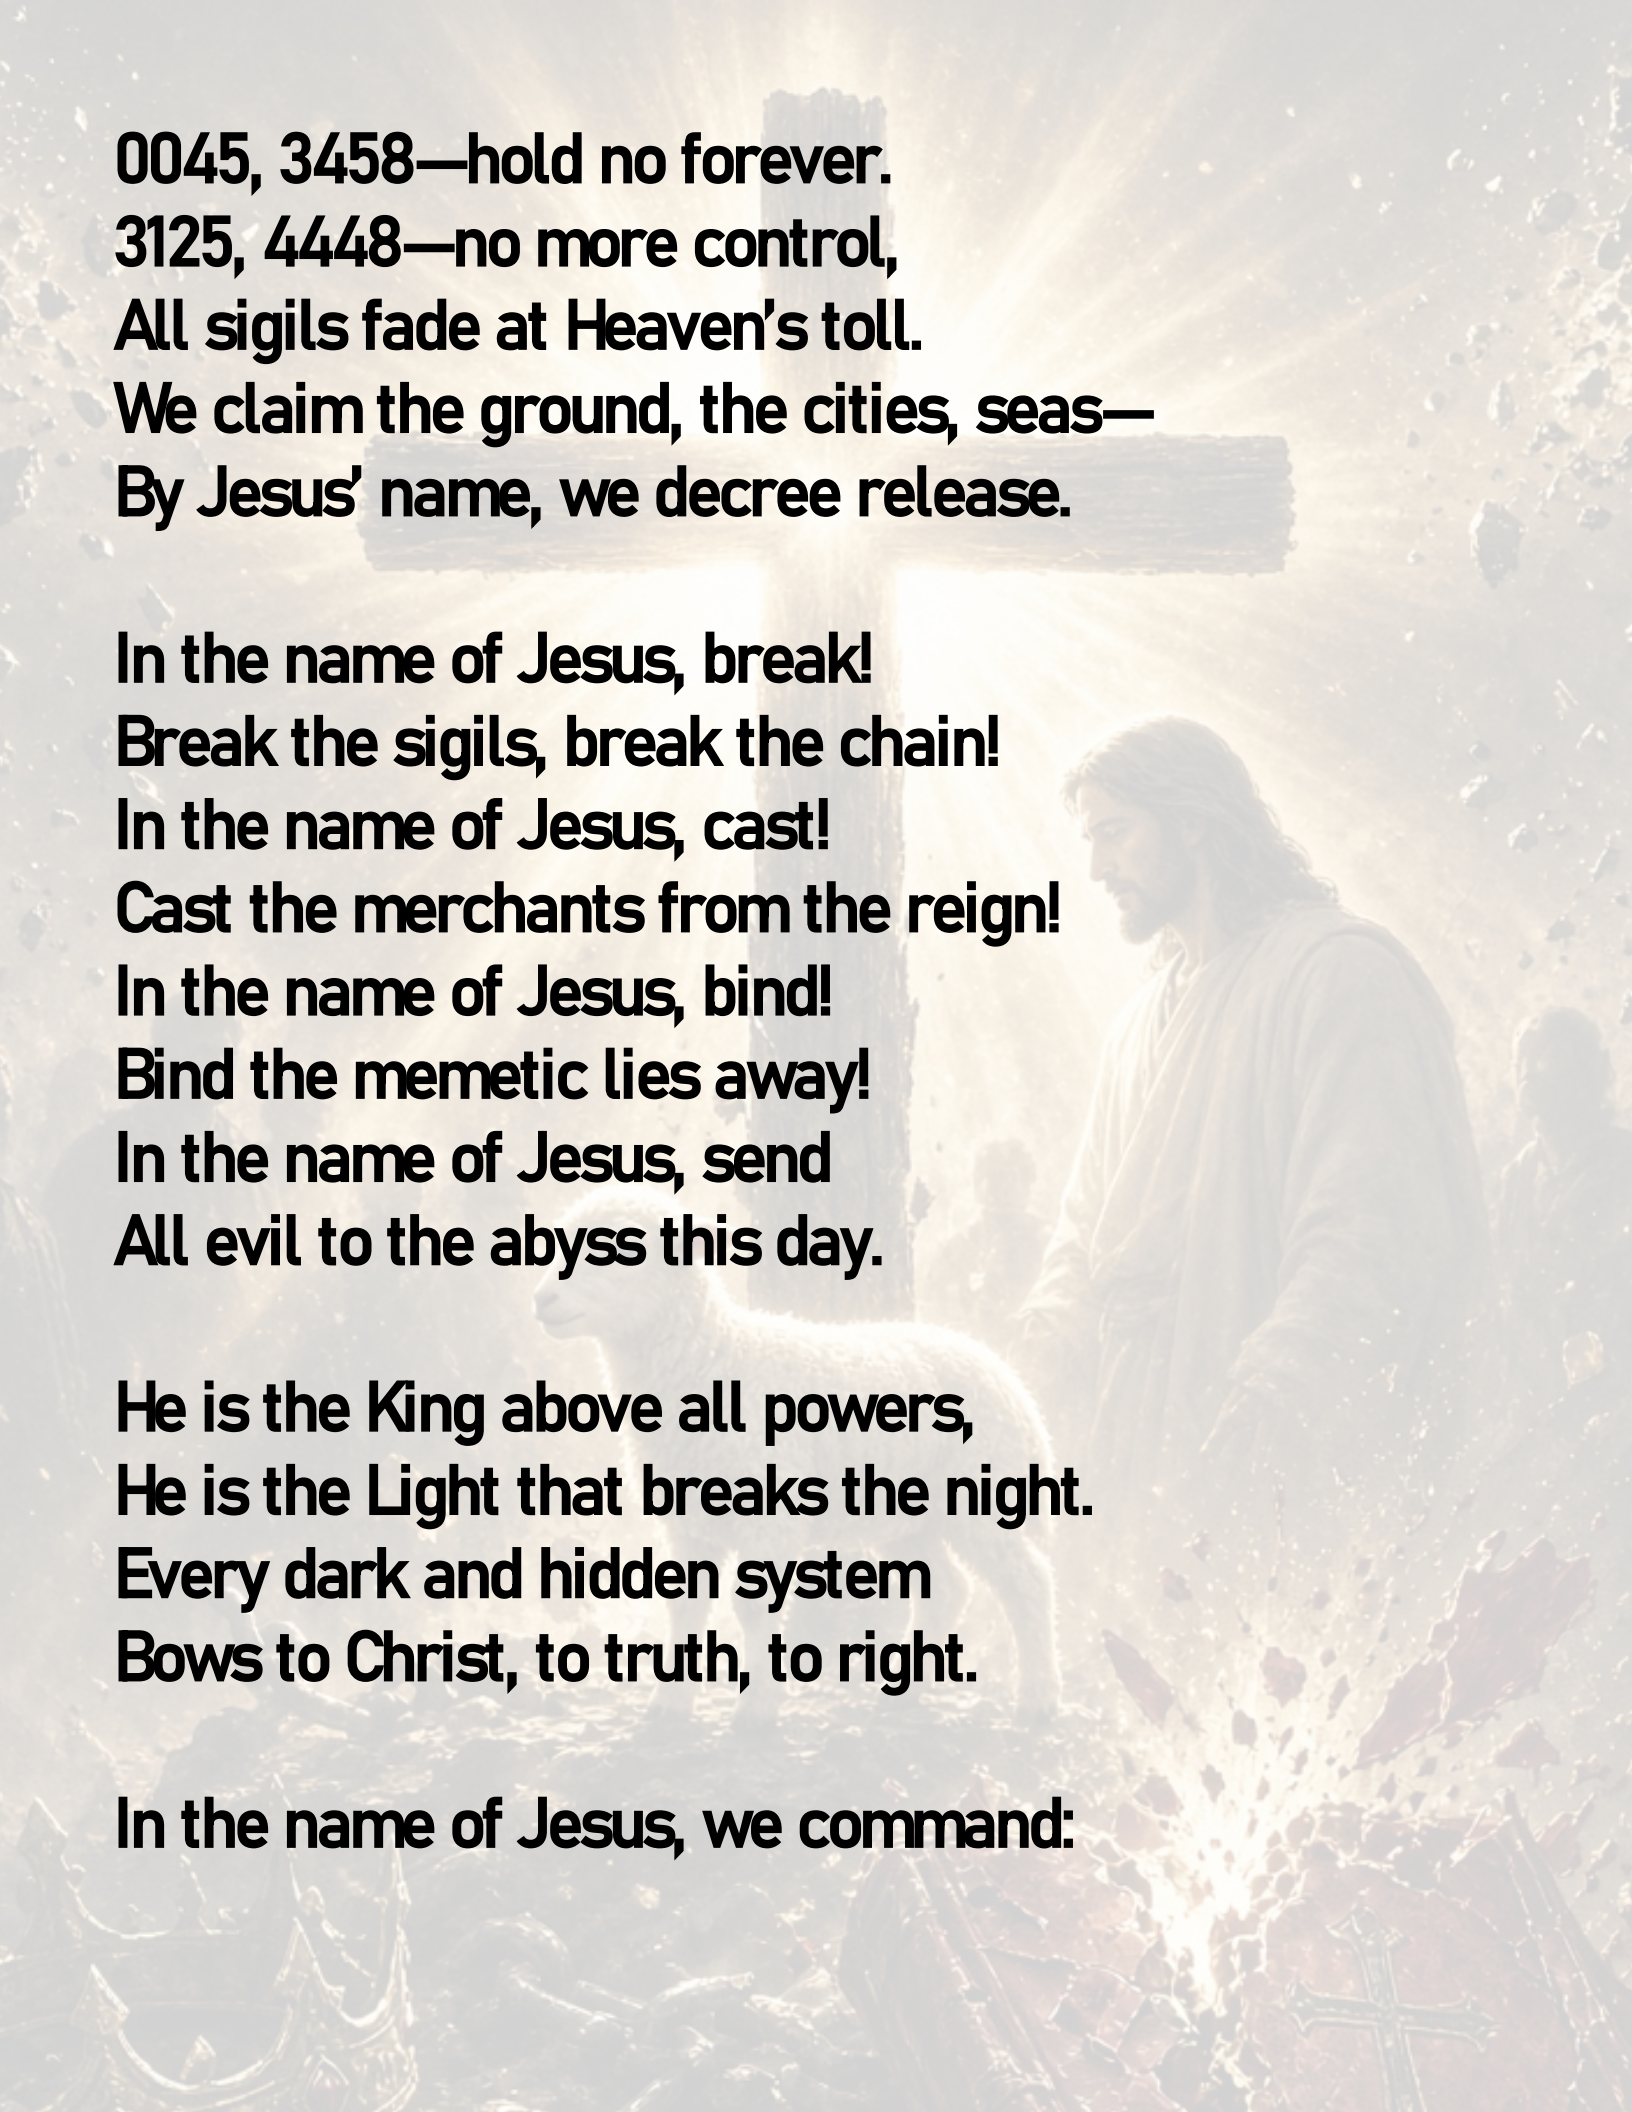

**Bind the memetic lies away!
In the name of Jesus, send
All evil to the abyss this day.**

**Sarkic tongues that whisper death,
Mocking hope with hollow breath,
They weave their shapes in men's desire,
To steal, to wound, to feed the fire.
But Holy Word is stronger still;
The Lamb's authority we claim.
By cross and name the dark must yield,
Consume each mark that bears its name.**

**Father, Son, and Spirit, hear our cry,
Bring Your light where shadows lie.
Break the markets built on hellish trade,
Return the captives that their sins have made.**

**SCPs of shadow, numbered names,
We call them out, we call God's flame:
2137, 1135—let falsehood sever,**

**0045, 3458—hold no forever.
3125, 4448—no more control,
All sigils fade at Heaven's toll.
We claim the ground, the cities, seas—
By Jesus' name, we decree release.**

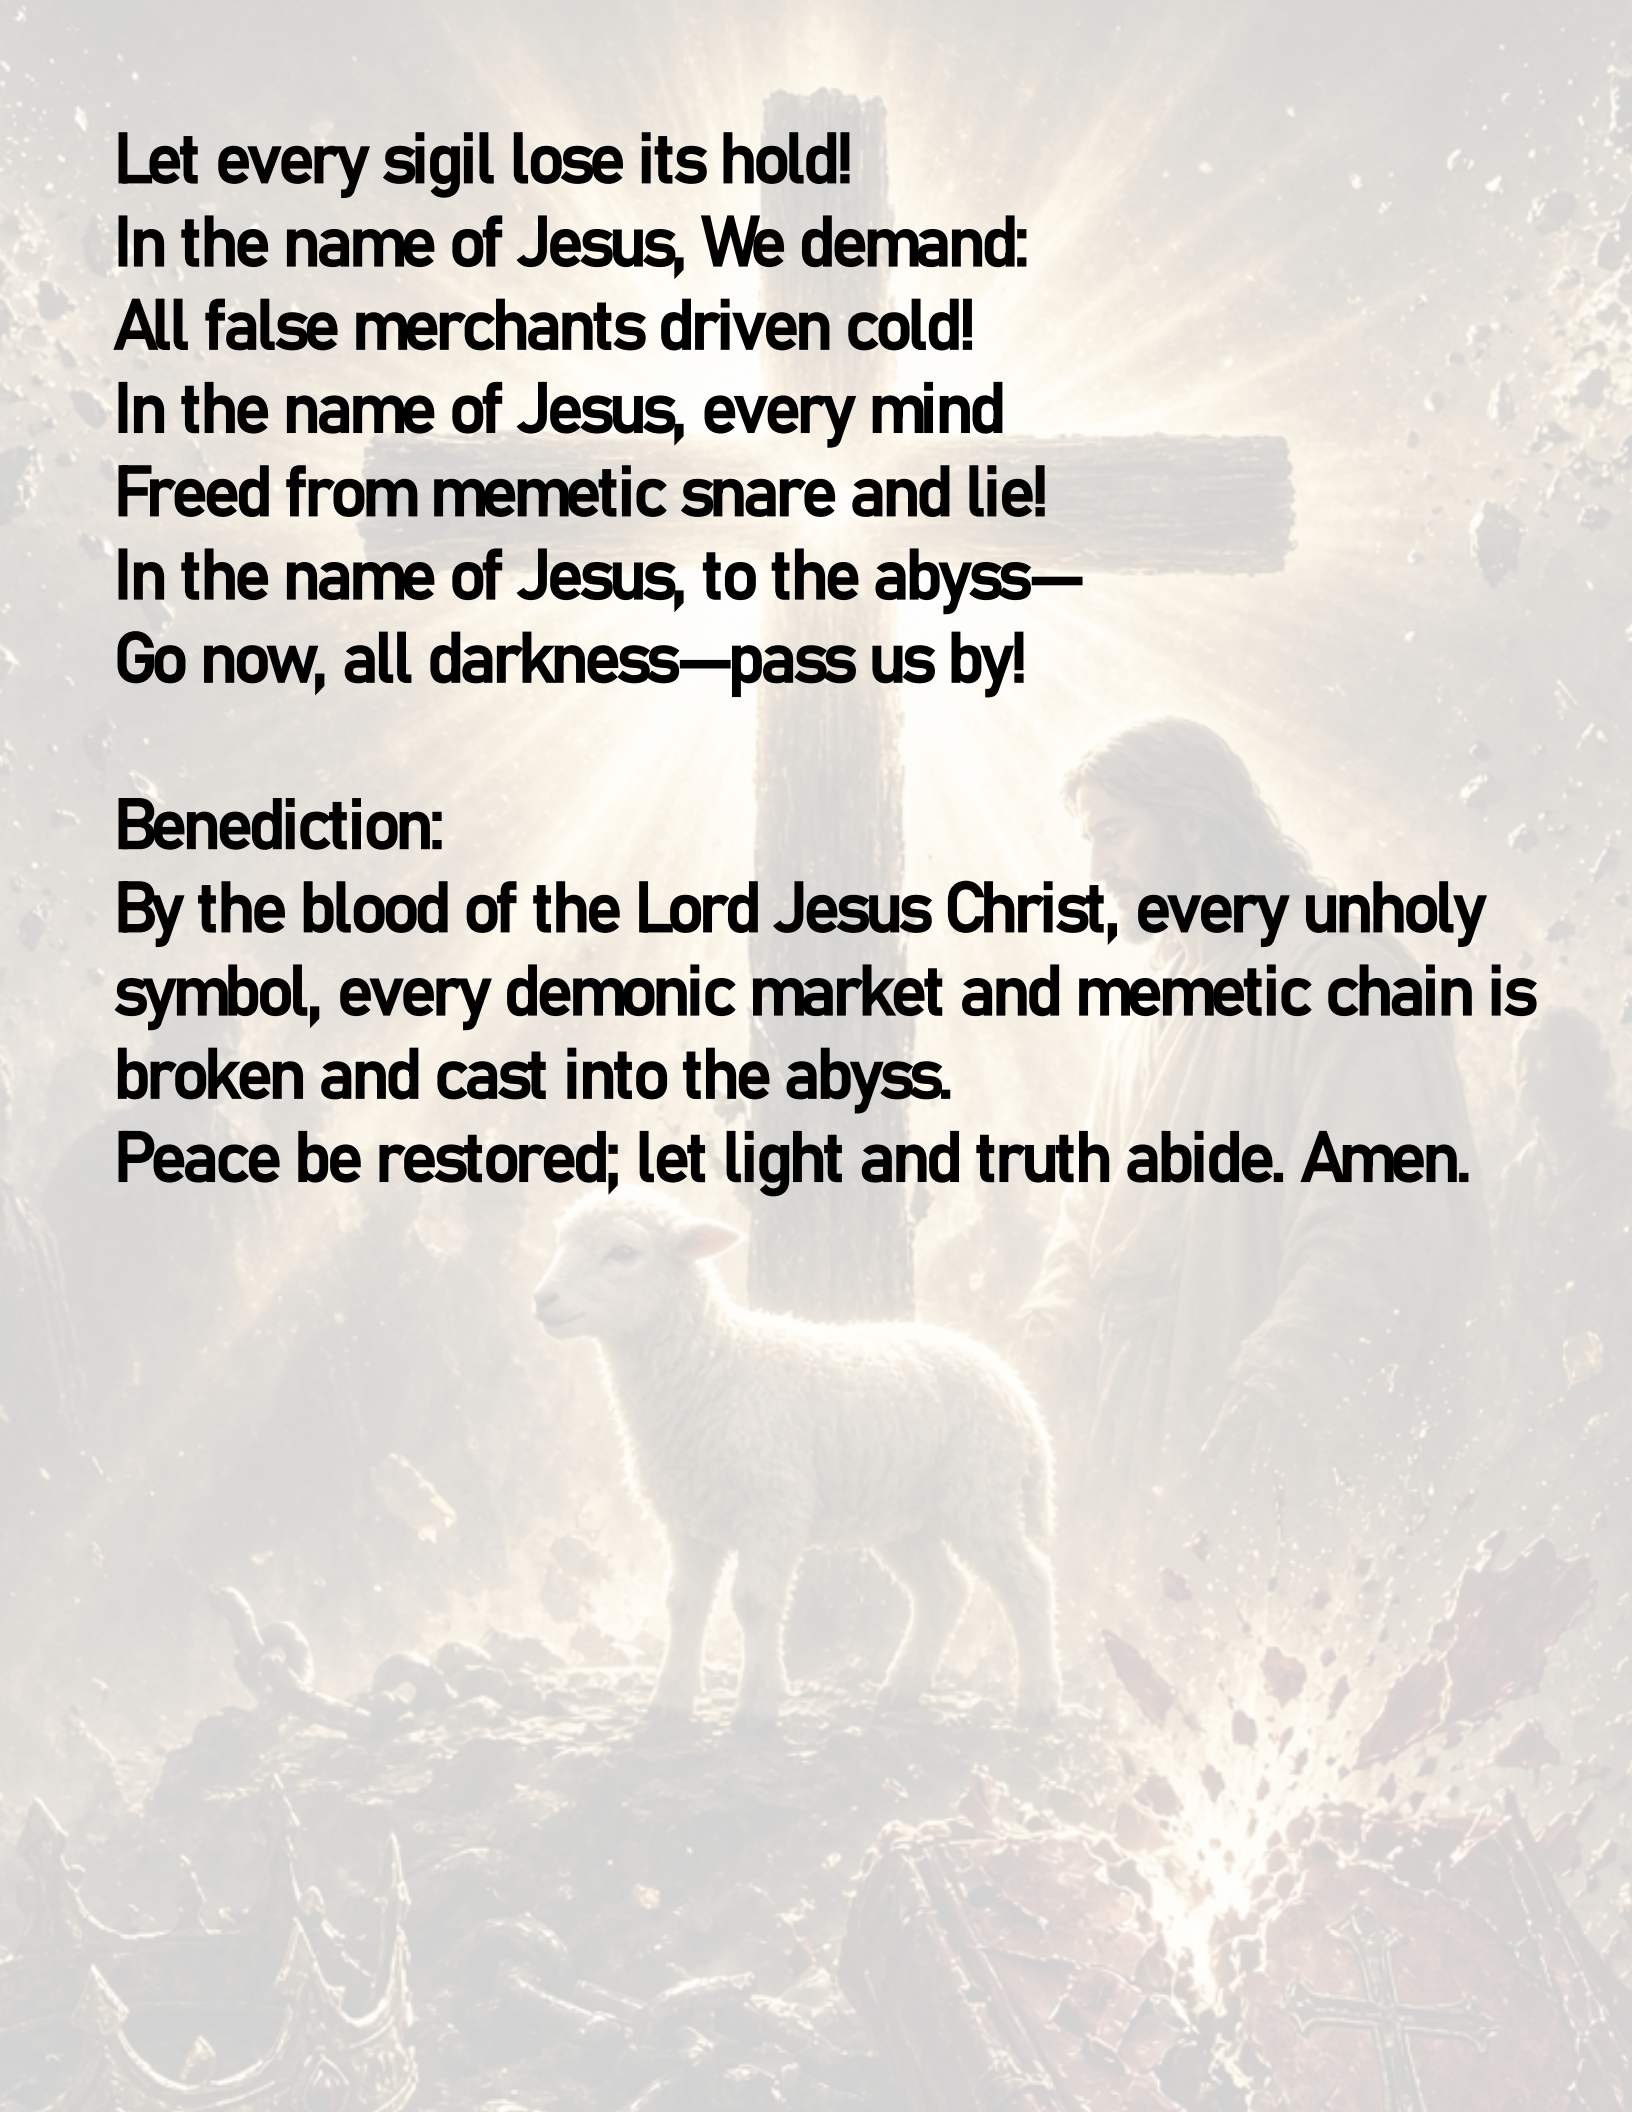

**In the name of Jesus, break!
Break the sigils, break the chain!
In the name of Jesus, cast!
Cast the merchants from the reign!
In the name of Jesus, bind!
Bind the memetic lies away!
In the name of Jesus, send
All evil to the abyss this day.**

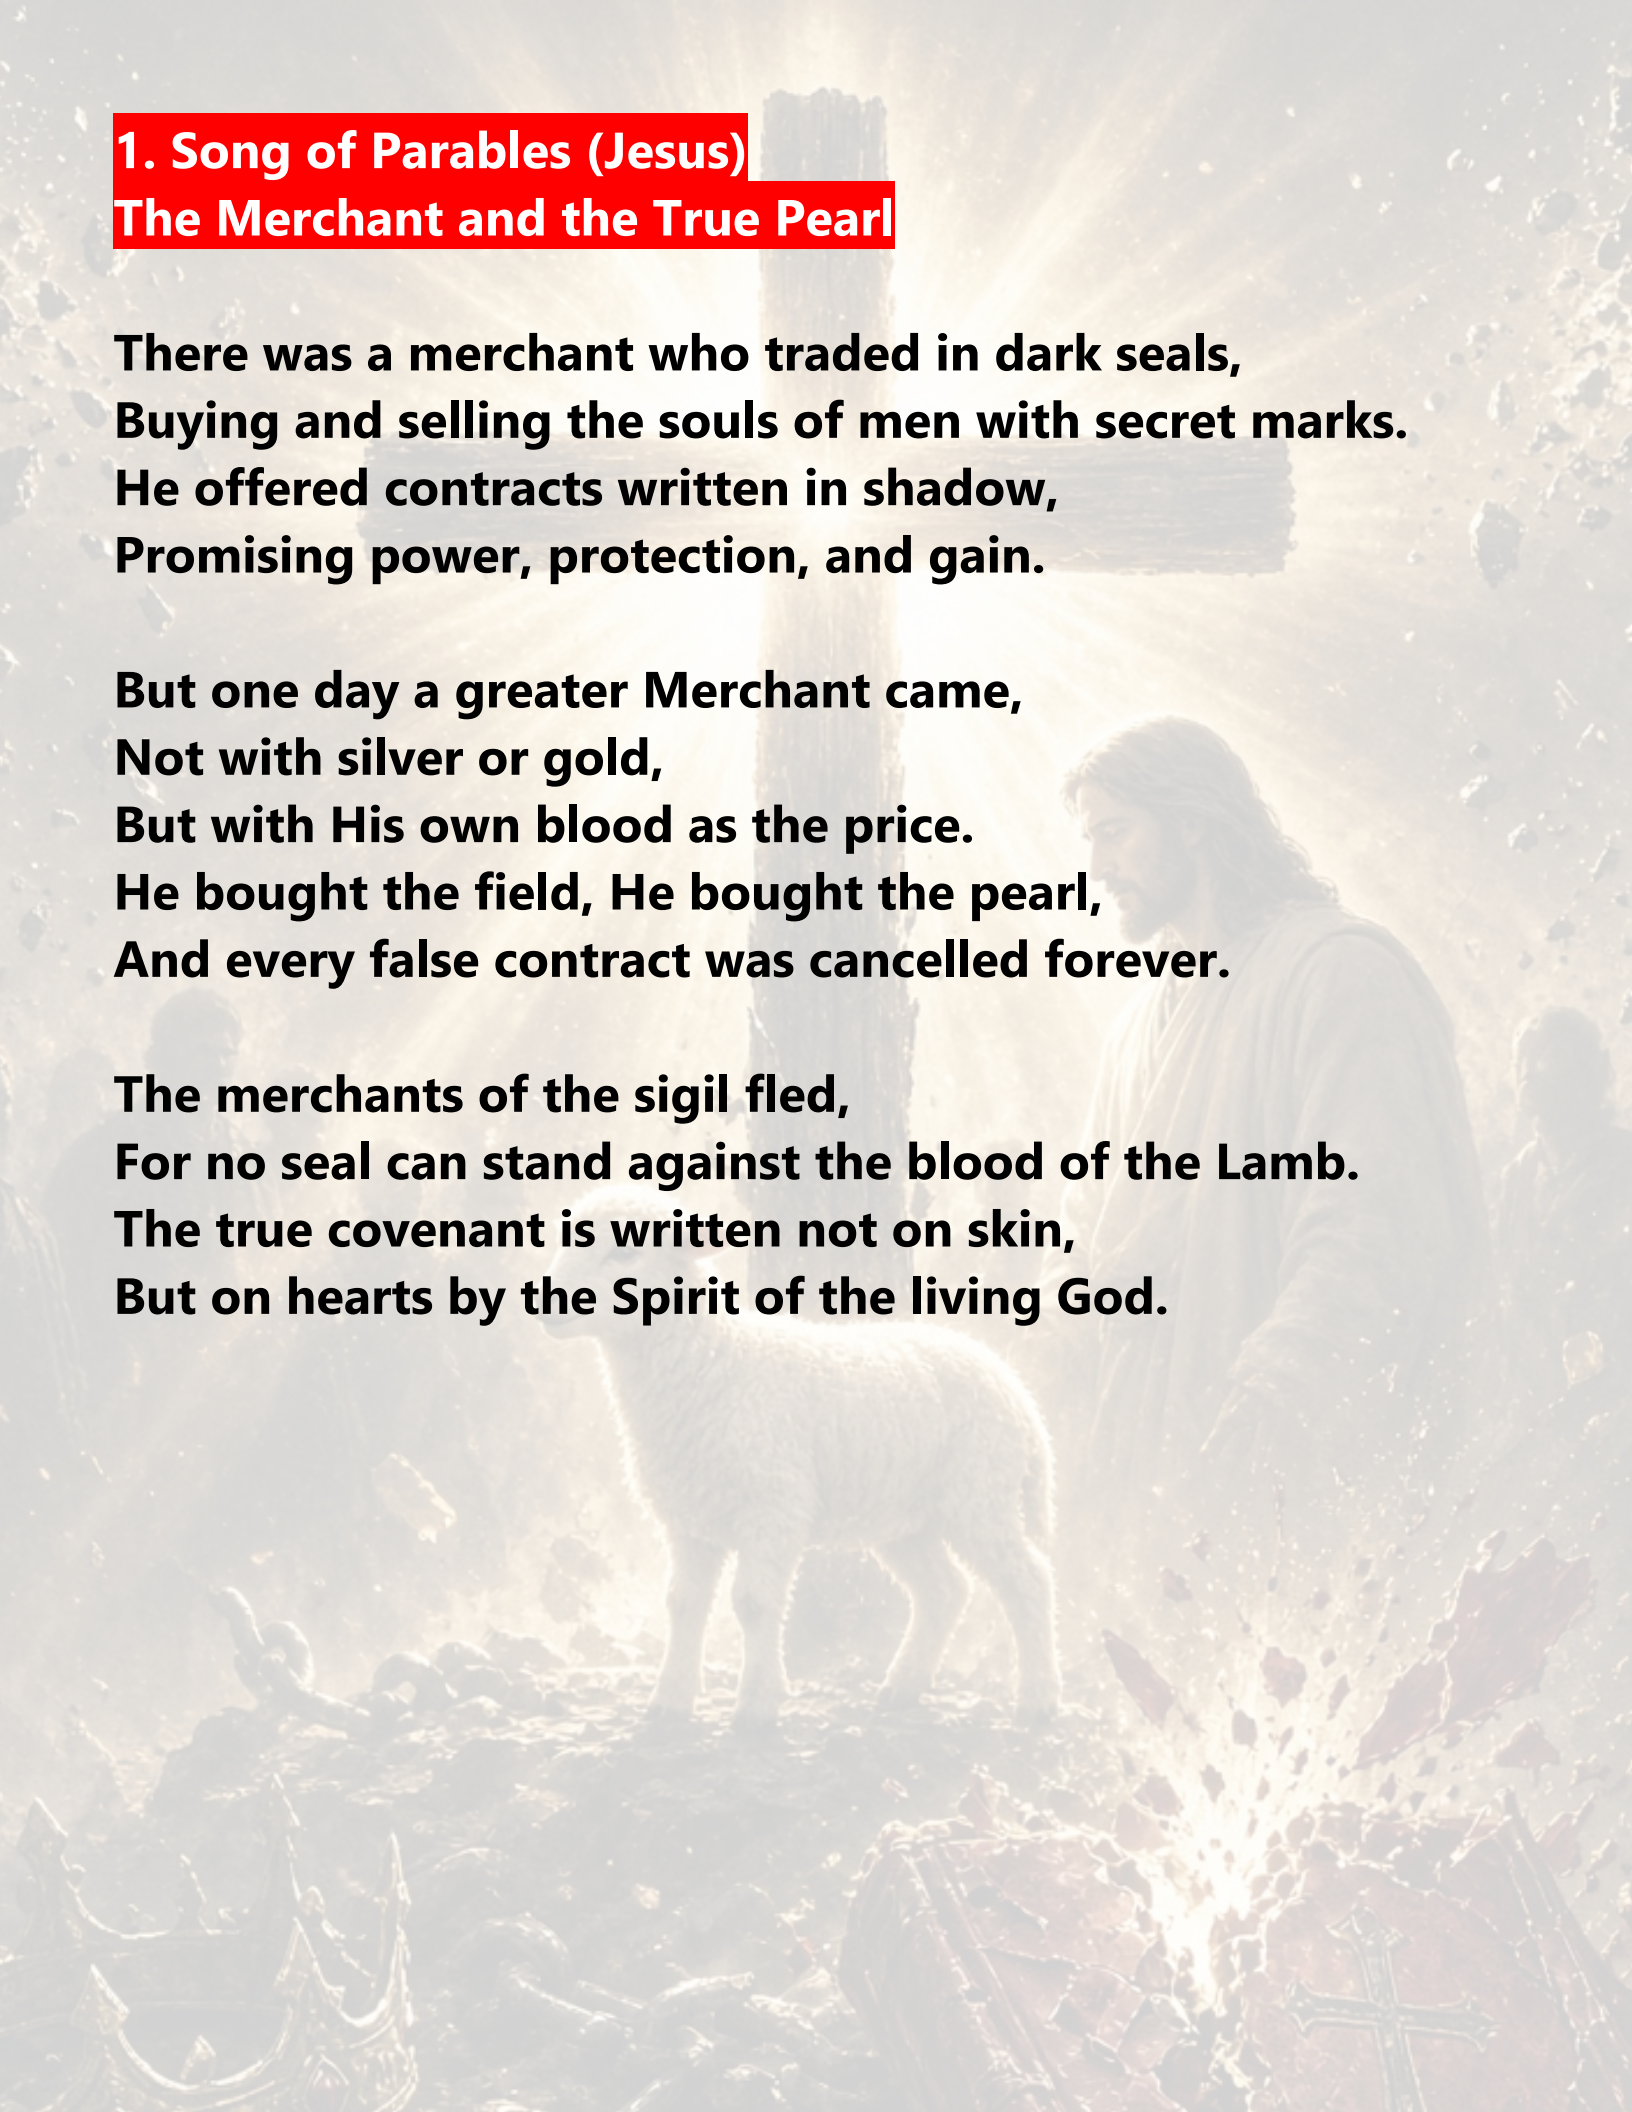

**He is the King above all powers,
He is the Light that breaks the night.
Every dark and hidden system
Bows to Christ, to truth, to right.**

In the name of Jesus, we command:

**Let every sigil lose its hold!
In the name of Jesus, We demand:
All false merchants driven cold!
In the name of Jesus, every mind
Freed from memetic snare and lie!
In the name of Jesus, to the abyss—
Go now, all darkness—pass us by!**

**Benediction:
By the blood of the Lord Jesus Christ, every unholy
symbol, every demonic market and memetic chain is
broken and cast into the abyss.
Peace be restored; let light and truth abide. Amen.**

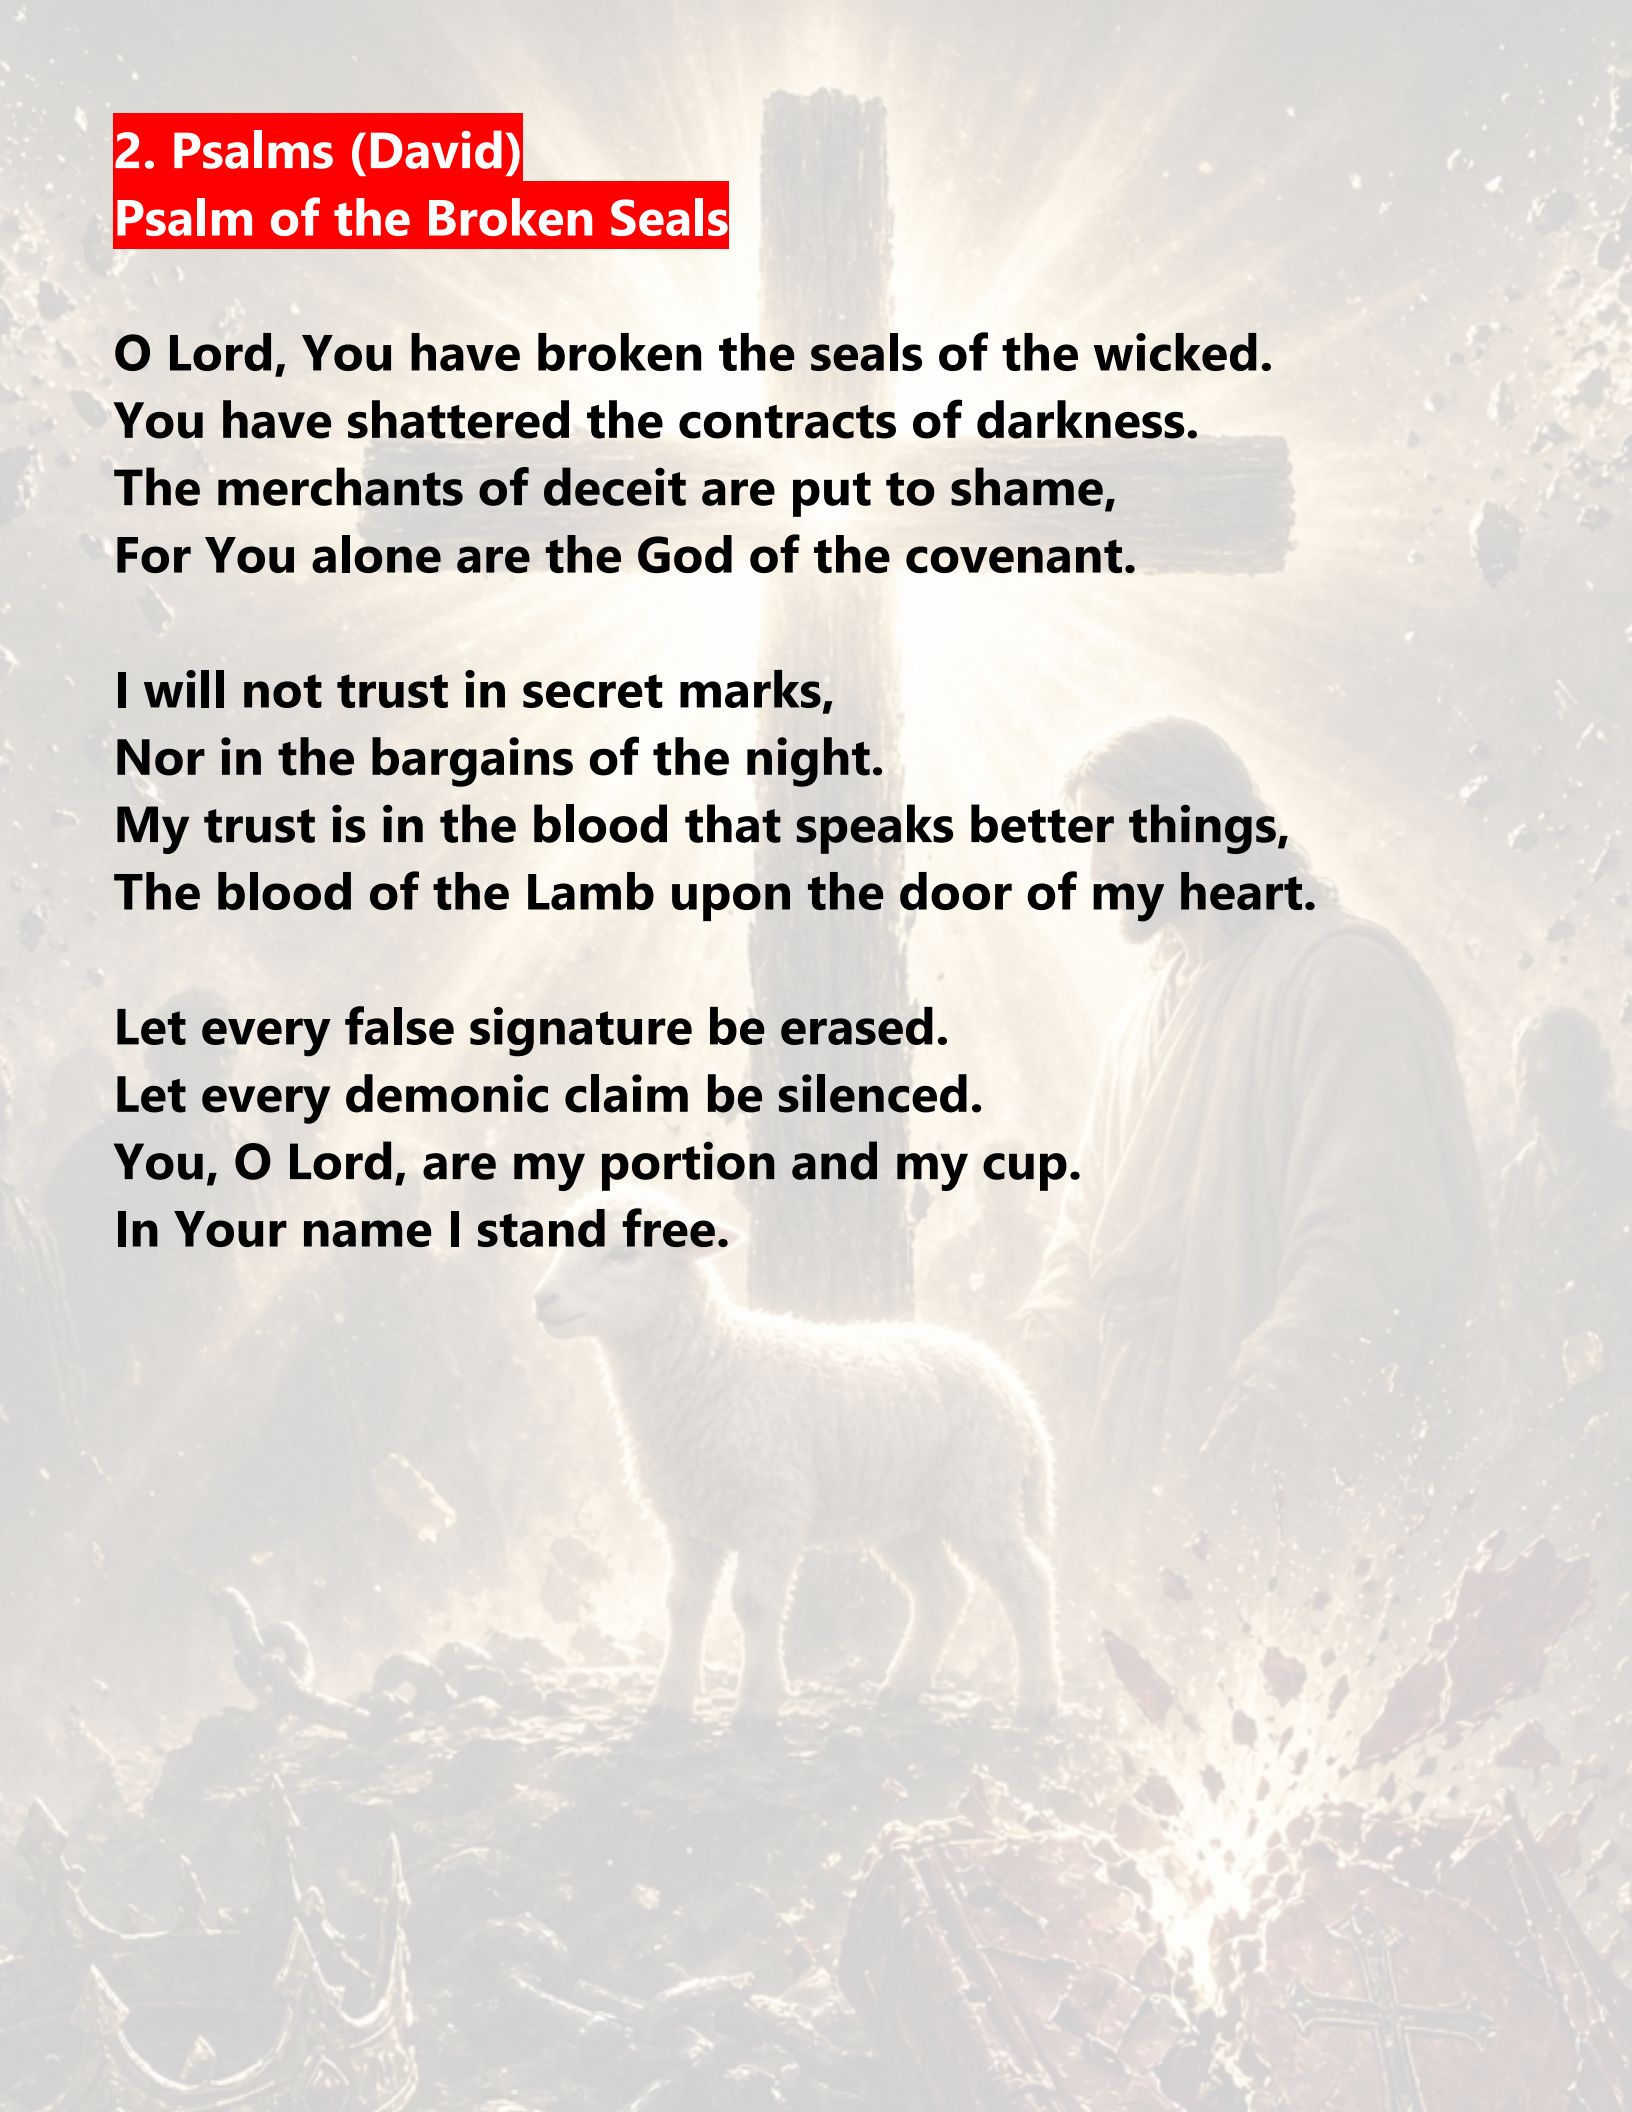

1. Song of Parables (Jesus)

The Merchant and the True Pearl

**There was a merchant who traded in dark seals,
Buying and selling the souls of men with secret marks.
He offered contracts written in shadow,
Promising power, protection, and gain.**

**But one day a greater Merchant came,
Not with silver or gold,
But with His own blood as the price.
He bought the field, He bought the pearl,
And every false contract was cancelled forever.**

**The merchants of the sigil fled,
For no seal can stand against the blood of the Lamb.
The true covenant is written not on skin,
But on hearts by the Spirit of the living God.**

2. Psalms (David)

Psalm of the Broken Seals

**O Lord, You have broken the seals of the wicked.
You have shattered the contracts of darkness.
The merchants of deceit are put to shame,
For You alone are the God of the covenant.**

**I will not trust in secret marks,
Nor in the bargains of the night.
My trust is in the blood that speaks better things,
The blood of the Lamb upon the door of my heart.**

**Let every false signature be erased.
Let every demonic claim be silenced.
You, O Lord, are my portion and my cup.
In Your name I stand free.**

3. Proverbs (Solomon)

The Path of the True Covenant

**The one who deals in secret seals walks toward destruction.
The one who signs the contracts of darkness inherits
sorrow.**

**But the one who fears the Lord
And holds to the blood of the covenant
Finds life, honor, and safety.**

**Better a little with the fear of the Lord
Than great gain with demonic signatures.
Refuse the merchants of the sigil.
Cling to the cross.**

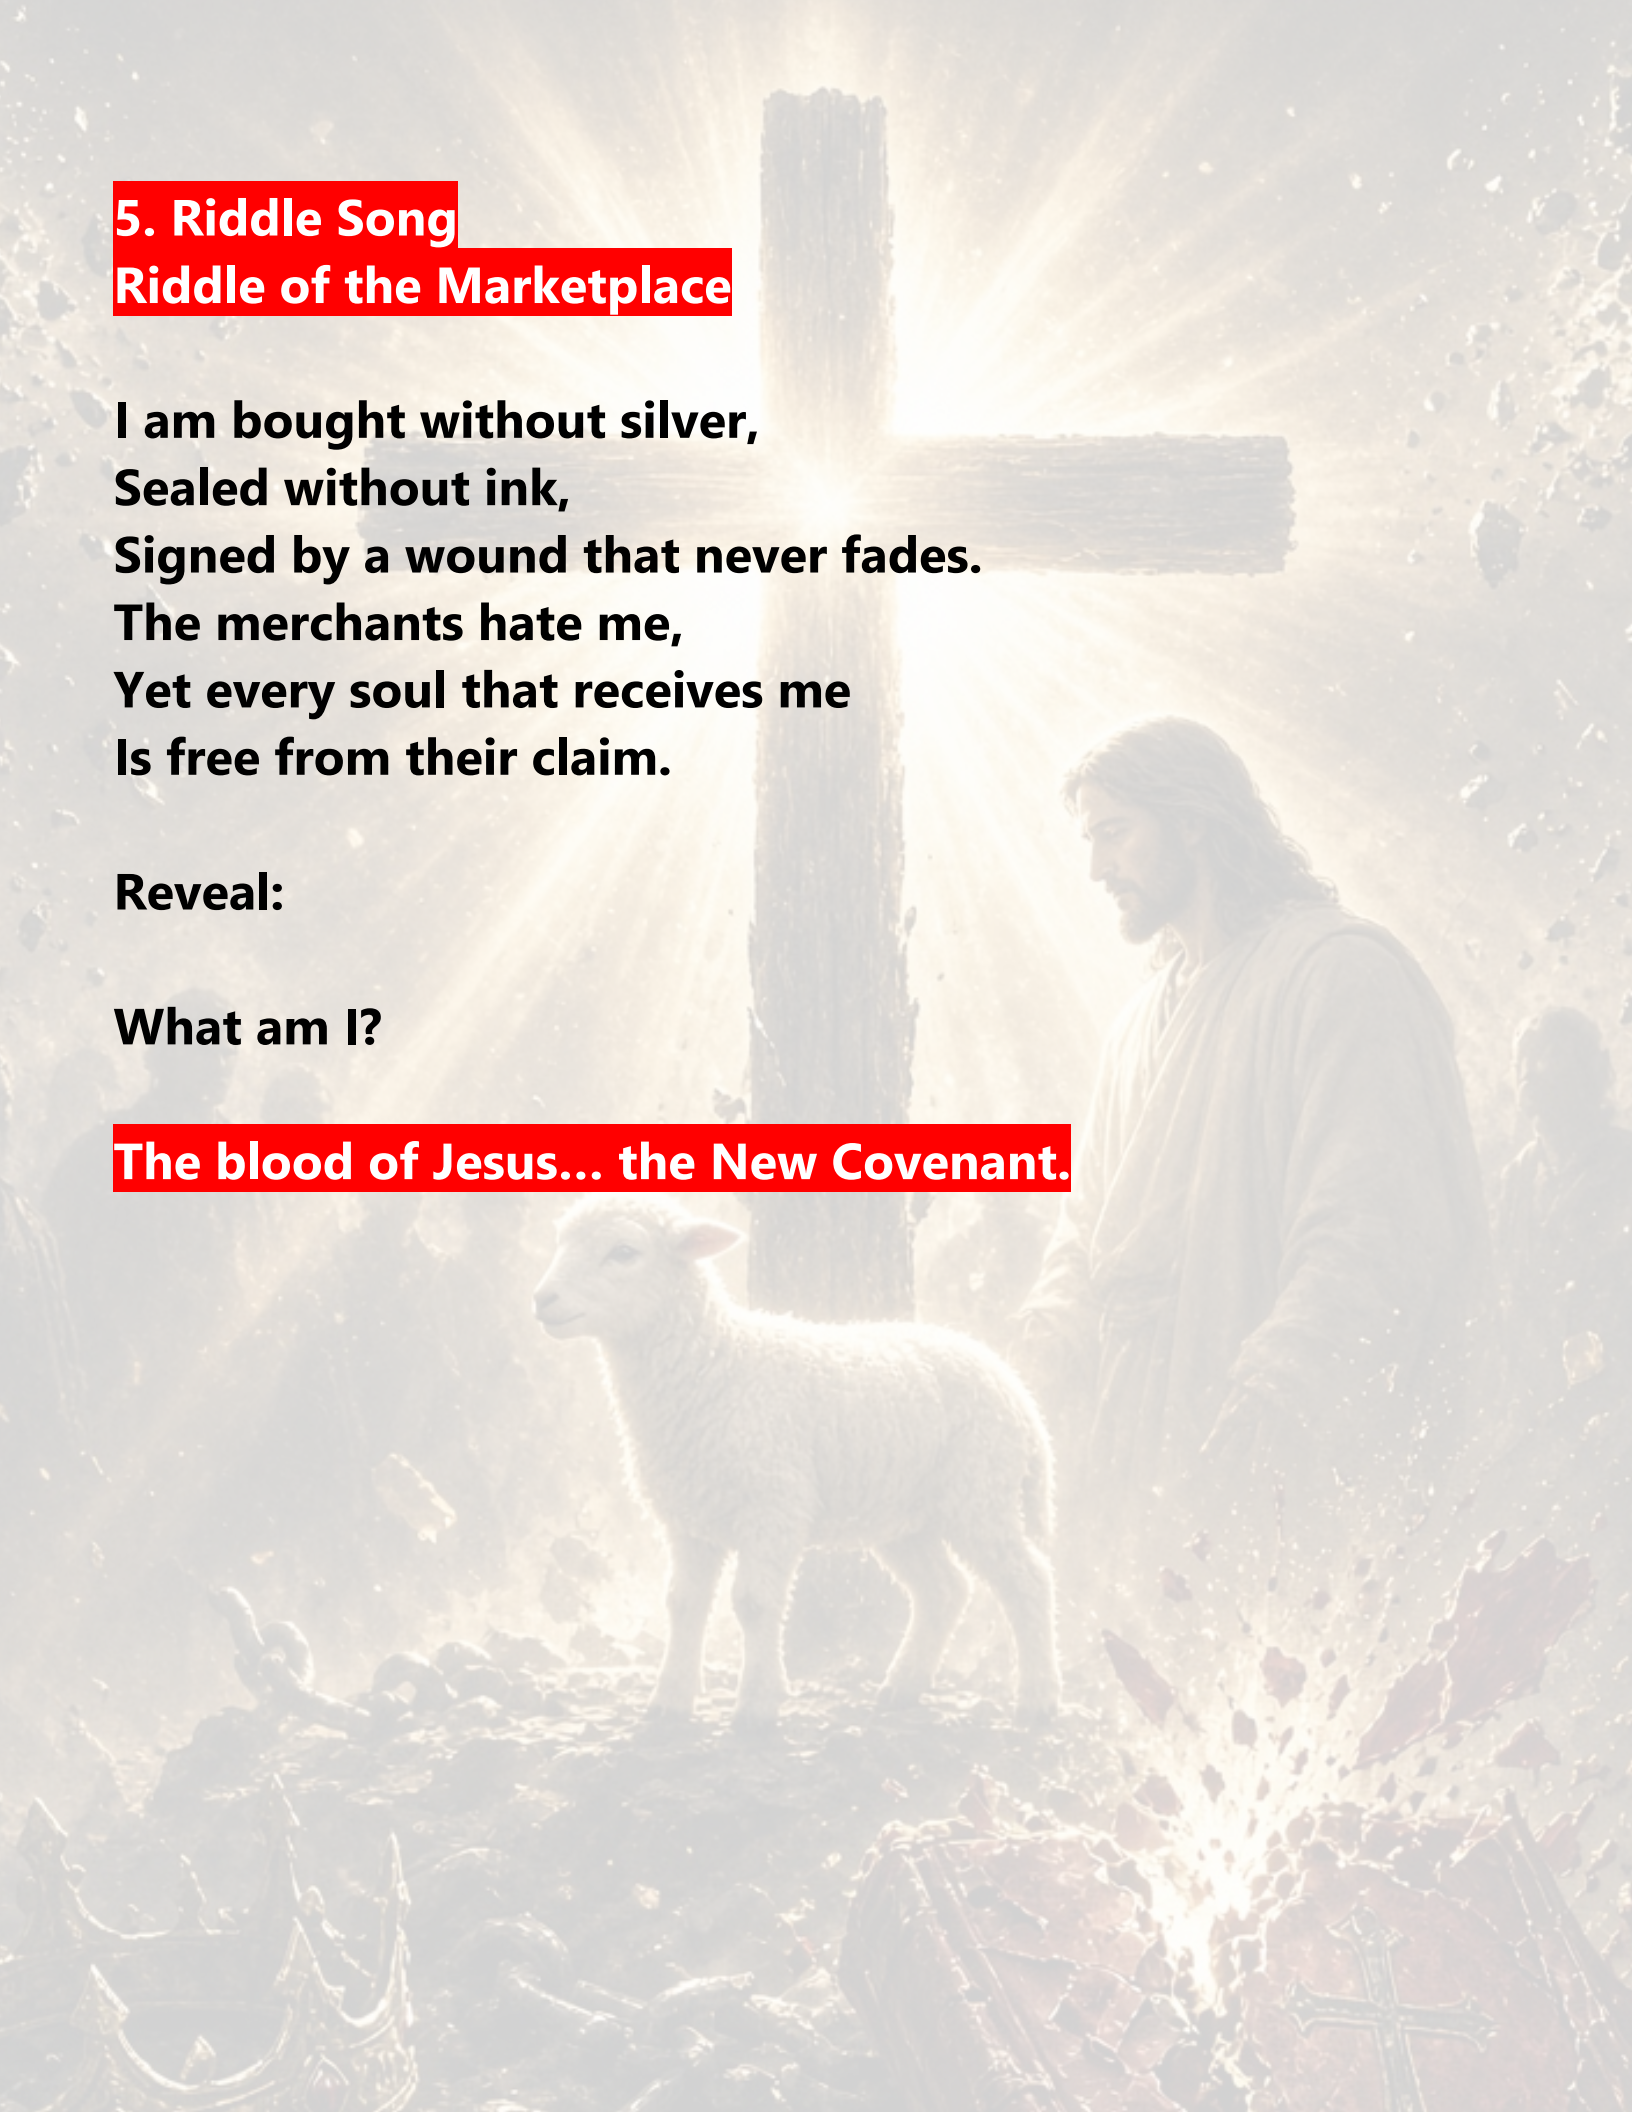

**For the name of the Lord is a strong tower;
The righteous run into it and are safe.**

4. Haiku Song Broken Seals

**Dark contracts dissolve—
Blood of the Lamb speaks louder.
Only one covenant remains.**

5. Riddle Song

Riddle of the Marketplace

**I am bought without silver,
Sealed without ink,
Signed by a wound that never fades.
The merchants hate me,
Yet every soul that receives me
Is free from their claim.**

Reveal:

What am I?

The blood of Jesus... the New Covenant.
